A National Stage patent application under 37 C.F.R. §1.495 was filed on September 21, 2001. A Notice of Abandonment of Application Serial No. 09/937,172 issued on November 20, 2001 and was received by Applicant's counsel on November 27, 2001, based upon a failure to pay the required National Stage entry fee. Applicant's counsel unintentionally failed to properly mark the application filing forms authorizing the charge of any fees to Applicant's deposit account.

Applicant is petitioning herein to revive an unintentionally abandoned application or, in the alternative, to review and withdraw the holding of abandonment due to a failure of Applicant's counsel to properly mark the application filing forms authorizing the payment of the

National Stage entry fee from counsel's deposit account.

FACTS

1. The parent patent application for "A Method for Manufacturing Feed Pellets and Plant for Use in the Implementation of the Method" was filed in Norway on, or about March 25, 1999.
2. On, or about, March 17, 2000, Applicant filed a PCT patent application Serial No. PCT/NO00/00093 designating the United States.
3. Applicant filed a Chapter II Demand requesting preliminary examination of this application on, or about, September 6, 2000.
4. National Stage entry into the United States for the International Patent Application entitled "A Method for Manufacturing Feed Pellets and Plant for Use in the Implementation of the Method" was due on, or before, September 25, 2001.
5. Applicant's counsel attempted to enter the National Stage on September 21, 2001.
6. A Notice of Abandonment was received by Applicant's counsel on November 27, 2001, which indicated a failure to pay the National Stage entry fee as the basis for the abandonment.
7. Upon receipt of the Notice of Abandonment, Applicant's counsel reviewed the filing documents and identified unintended errors related to the payment of the National Stage entry fee. (Declaration of Edwin E. Voigt II, Esq.)
8. Upon receipt of the Notice of Abandonment, Applicant's counsel pulled counsel's standard filing forms and compared the standard filing forms to the forms as actually filed on September 21, 2001, which included errors as related to the changing of the National Stage entry fee to counsel's deposit account. (Declaration of Edwin E. Voigt II, Esq.)
9. Applicant's counsels standard forms, namely the transmittal letter, Exhibit 1, paragraph 2, last check box, authorizes the charge of any National Stage entry fees to counsel's deposit account. (Declaration of Edwin E. Voigt II, Esq. and attached Exhibits.)
10. Applicant's counsels standard forms, namely the transmittal letter, Exhibit 1, paragraph 4, authorizes charges of any additional fees to Applicant counsel's deposit account. (Declaration of Edwin E. Voigt II, Esq. and attached Exhibit.)

11. Applicant's counsels standard Patent Office transmittal form, Exhibit 2, paragraph 17(c) last check box authorizes the charge of any filing fees to Applicant's counsels deposit account. (Declaration of Edwin E. Voigt II, Esq. and attached Exhibits.)
12. The support staff for Applicant's counsel modified the standard filing forms related to the charging of filing fees from counsel's deposit account incorrectly attempting to conform the forms to acceptable U.S. practice for a continuation and/or divisional applications related to providing a response to a Notice of Missing Parts. (Declaration of Mary C. Granger.)
13. Counsel's support staff did not inform counsel of the modification to the standard National Stage entry forms as filed on September 21, 2001. (Declaration of Mary C. Granger.)
14. Counsel did not notice the modification to the National Stage entry forms related to the charging of filing fees to counsel's deposit account at the time of filing of the documents on September 21, 2001. (Declaration of Edwin E. Voigt II, Esq.)
15. Counsel's standard practice is to verify that the last box on the National Stage entry forms related to the payment of filing fees out of counsel's deposit account is, in fact, authorized. (Declaration of Edwin E. Voigt II, Esq.)
16. Counsel saw that the last box was checked on the filing forms as filed on September 21, 2001, but counsel missed the modification related to the change in the authorization to charge filing fees against counsel's deposit account. (Declaration of Edwin E. Voigt II, Esq.)
17. Counsel's error caused conflicting authorizations to be given to the United States Patent & Trademark Office related to charging fees to counsel's deposit account, namely; Transmittal Letter, paragraph 2, indicated that the filing fee would be paid when responding to the Notice of Missing Parts which is not available in this case; Transmittal Letter, paragraph 4, authorizes charging additional fees to counsel's deposit account; and United States Patent & Trademark Office Transmittal Form, paragraph 17(d) indicates that the filing fee will be paid upon the receipt of the Notice of Missing Parts and instructs the Patent Office to not charge fees to counsel's deposit account.
18. Counsel's unintentional error caused the filing fee to not be charged to counsel's deposit account resulting in the Notice of Abandonment of November 20, 2001.

19. Counsel is filing this Request for Revival of an Unintentionally Abandoned Patent Application with 3 days of the receipt of the Notice from the Patent Office as received on November 27, 2001.
20. Counsel did not intend for the National Stage Patent Application Serial No. 09/937,172 to be abandoned at the time of filing of the application on September 21, 2001, otherwise, counsel would not have filed the application.
21. Counsel unintentionally failed to correctly indicate the authorization to charge filing fees to counsel's deposit account resulting in the abandonment of this application.
22. Applicant's counsel at all times intended to pay the National Stage entry fee. Counsel's error resulted in the non-payment of the required National Stage entry fee on a timely basis.
23. Applicant should not be prejudiced by counsel's error herein.

PETITION

Applicant's Counsel asserts that any and all delay, and the entire period of delay herein, and the failure to pay the National Stage entry fee was unintentional. Payment of the National Stage entry fee is authorized to be charged to counsel's deposit account No. 22-0350.

The Petition Fee as set forth in 37 C.F.R. 1.17(m) is authorized to be charged to Applicant's counsel's deposit account No. 22-0350 in the amount of \$1,280.00. Applicant is a large entity.

The entire delay in filing the fee for entry into the National Stage from the due date to the filing of this Petition was unintentional.

Any and all necessary fees may be charged to Deposit Account, No. 22-0350.

Applicant respectfully requests and petitions for the revival of the unintentionally abandoned patent application Serial No. 09/372,172 pursuant to C.F.R. §1.137(b) and MPEP §711.03(c).

In addition, Applicant respectfully requests the withdrawal of the holding of abandonment based upon the failure of Applicant's Counsel to timely pay the National Stage entry fee prior to the expiration of 30 months pursuant to 37 C.F.R. §1.495.

In Re: Odd Geir Oddson et al.
Application No. 09/937,172

Applicant's counsel further requests for revival of the unintentionally abandoned application pursuant to PCT Article 48(2); PCT Rule 82bis; PCT Rule 82bis.1; Rule 51.1; Rule 51.3; and PCT Article 24(2).

Applicant herein further petitions for an extension of any required time associated with the payment of the National Stage entry fee. The United States Patent & Trademark Office is authorized to charge any fee for any required petition for extension to Applicant's counsels deposit account No. 22-0350. Applicant is a large entity.

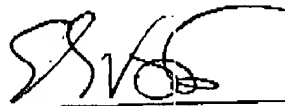

Applicant also encloses herewith a Terminal Disclaimer directed to the period of abandonment of Application Serial No. 09/937,172. United States Patent & Trademark Office is authorized to charge any Terminal Disclaimer fee pursuant to 37 C.F.R. §1.20(d) to deposit account No. 22-0350.

For the above-stated reasons, Applicant respectfully requests that application Serial No. 09/932,172 be returned to an active status.

DECLARATION OF EDWIN E. VOIGT II

1. My name is Edwin E. Voigt II, and my Attorney Registration No. is 36,042. I am counsel for Applicant herein.
2. Upon receipt of the Notice of Abandonment of November 27, 2001, I reviewed the Transmittal Letter and Transmittal Form as submitted to the United States Patent & Trademark Office on September 21, 2001. I have attached the Transmittal Letter as Exhibit 3 and the Transmittal Form as Exhibit 4 to this Declaration. I then printed my standard Transmittal Letter and Transmittal Form which I have attached hereto as Exhibits 1 and 2 respectively. I then compared the standard Transmittal Letter, Exhibit 1, and standard Transmittal Form, Exhibit 2, to the Transmittal Letter, Exhibit 3, and Transmittal Form, Exhibit 4, as filed within the United States Patent & Trademark Office on September 21, 2001. Upon comparison of the documents I identified unintended errors related to the payment of the National Stage entry fee. Specifically, the last check box of paragraph 2 of the Transmittal Letter, Exhibit 1, authorizes charging of fees to deposit account number 22-0350. The Transmittal Letter as filed on September 21, Exhibit 3, includes an additional last sentence and check box indicating that the filing fee will be paid at the

time of responding to the Notice of Missing Requirements. In addition, the Transmittal Form of Exhibit 4 includes an additional last sentence under paragraph 17(d) related to a check box where the filing fee is not enclosed, indicating that the fee will be paid at the time of responding to the Notice of Missing Requirements and to not charge deposit account. This item was added as a modification to the standard form, Exhibit 2. Paragraph 4 of the Transmittal Letter, Exhibit 3, as filed on September 21, 2001, authorizes the charging of any additional fees to deposit account number 22-0350.

3. My support staff prepared the Transmittal Letter and Transmittal Form, Exhibits 3 and 4, as filed with the Patent & Trademark Office on September 21, 2001. Prior to filing of these documents, my support staff provided Exhibits 3 and 4 to me for review prior to signature. My normal practice is to review the Transmittal Letter and Transmittal Form to insure that the last box within section two of the Transmittal Letter and within paragraph 17 of the Transmittal Form have been checked authorizing the charging of any required fees against counsel's deposit account. I did not notice that the Transmittal Letter and the Transmittal Form of Exhibits 3 and 4 had been modified removing the authorization to charge any required fees to counsel's deposit account. Upon review of Exhibits 3 and Exhibits 4 on September 21, 2001, counsel saw that the last box was checked within section 2 of the Transmittal Letter and section 17 of the Transmittal Form but counsel failed to notice the modification related to the removal of the authorization to charge any required filing fees against counsel's deposit account.

4. I, at all times, intended to pay the National Stage entry fee on behalf of my client. I did not intentionally fail to notice the modification to my standard Transmittal Letter and Transmittal Form. I am responsible for the unintentional filing of the Transmittal Letter of Exhibit 3 and the Transmittal Form of Exhibit 4 which do not authorize the charging of the National Stage entry fee to my deposit account. I did not intend for Application Serial No. 09/937,172 to be abandoned for failure to pay the National Stage entry fee.

I further declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are

DECLARATION OF MARY C. GRANGER

1. My name is Mary C. Granger and I am the support staff acting on behalf of attorney Edwin E. Voigt II.
2. I prepared Exhibits 3 and 4 as attached hereto for filing within the United States Patent & Trademark Office on September 21, 2001.
3. In preparing Exhibits 3 and 4, I modified our firms standard Transmittal Letter and Transmittal Form attached hereto as Exhibits 1 and 2. On Exhibit 3, I included the last check box of paragraph 2 of the Transmittal Letter related to the payment of the filing fee when responding to the Notice of Missing Requirements and the final check box of paragraph 17(d) of the Transmittal Form of Exhibit 4 which stated "the filing fee is not enclosed - the fee will be paid at the time of responding to the Notice of Missing Requirements - do not charge the deposit account". I modified the enclosed forms to attempt to conform to United States practice related to continuation and divisional applications for responding to Notices of Missing Requirements.

4. I, did not inform attorney Edwin E. Voigt II of the modifications which I made to Exhibits 3 and 4 attached hereto. In the future I will not be modifying transmittal forms without the prior authorization of counsel. To the best of my knowledge the intent at all times was to pay the National Stage entry fee for Application Serial No. 09/937,172. By modifying Exhibits 3 and 4 attached hereto I did not intend to create a risk that the deadline for the payment of the National Stage entry fee would be missed.

I further declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
VIDAS, ARRETT & STEINKRAUS, P.A.
